Championship-winning dirt cars dissected

TRACTION CONTROL Shannon Davis defends it

Follow-up:

NASCAR Insider's April 2006 issue Tech Page carried the story of Rob Janovic and his sharp looking 10-year-old modified, which he raced at the NASCAR-sanctioned Waterford Speedbowl.

A lot has happened to Rob since then. Janovic won the track's 2007 championship with the now 12-year-old car. On the home front, he married Annette. The car's 2007 paint job reflects a sunrise they photographed on their honeymoon. Janovic has now won 17 times in his old car, which is currently sponsored by Big A Auto Parts, Flanders Bake Shop, Essex Limousine Service, and many others who are attracted to the professional approach of the driver and his team. Janovic knows a good thing when he sees it, so he will race the same car in 2008.
